The Priory Dental Centre first opened in July 2001, and since that time we have assisted approximately 8000+ patients in Royston and the surrounding area.

We can now offer a wider range of treatments from line and wrinkle reduction, dental implants and teeth whitening using the ZOOM!® System, either in surgery or with take home kits all under safe dental supervision.

Dental Team

Dr Robert Ayre is the principal and owner of the Priory Dental Centre. He qualified from Liverpool University in 1979 and has been in general practice since then, mainly providing treatment under the NHS. He now also owns practices in Huntingdon and Peterborough.

Our receptionists are Annemarie Franklin and Liz Kahner. Both are here to assist you and answer any questions that you may have.

Resident Dentists

Dr Theodore Karantoniou, qualified at the Karolinska Institute in Stockholm, Sweden in June 1998 and has been practicing in the UK since February 2000. Mr Karantoniou joined the practice in May 2005. He specialises in Dental Implants and is very experienced in Private Dental Restorations.

Dr Arshnoor Mohamed started working at the practice in 2005 and is a friendly addition to the team.

Dental Therapists

Our Dental Therapists predominately provide treatment for children but treat adults as well.

Alexndra Kowkabzadeh has been with the practice from the beginning and is an excellent Therapist. She qualified in 1973 as a Dental Auxiliary. She deals with advanced hygiene issues as well as restorations for children under Dentists referral.

Veronica Ogden who joined the practice on June 2006 is an experienced Therapist and qualified in New Cross Hospital as a Dental Therapist in 1978. In 1980 she pursued her career in Birmingham working in a Dental School an then in 1981 worked for 4 years as a teacher, training Dental Hygiene students. She then had a career break and has been working as a Dental Therapist ever since.

Clinical Nurses

Angela Jarman has been with the practice since 2001. She is the longest assisting Dental Nurse within the practice. She also assisted Dr Robert Ayre establish the Royston surgery. She qualified in 2005 and is an essential part of the team. She is qualified in First Aid and also rotates between different surgeries.

Kirsty Green joined the practice in 2004 and qualified in 2005. She is also qualified in First Aid and rotates between surgeries normally travelling to the practice in Huntingdon. She enjoys assisting with children's treatments and enjoys working with the Hygienists as well as the Dentists.

Practice Manager

The practice manager is Annemarie Franklin, she is responsible for all the administration, staff duties as well as day to day running of the practice.

Treatments

We endeavour to provide a broad range of treatments under the NHS however Orthodontics is not performed within our surgeries and is treated on a referral basis.

Privately we can now offer a wider range of treatments, we also strive to utilise the latest and most up to date equipment and provide the best treatment for our patients. To this aim we are using Digital Imagery for our Dental Radiographs which considerably reduces the exposure to X-rays.
